Good Morning:

The purpose of this meeting is to prepare for the January 9<sup>th</sup> meeting with Paul Rush regarding NYC. HQ will be preparing a factsheet for the Office Director to prepare for the meeting. We mostly want to provide facts on the FAD that was recently signed (thanks Doug for sending the factsheets) and on the CD for the uncovered finished reservoir. If there are any recent existing factsheets on the enforcement actions, please send my way. I would like to draft the factsheet by Friday and send around for review/comment before the Monday meeting.

Please let me know if you have any questions,  
Thanks you Region 2 for all your help on this matter!  
Greatly appreciate it and Happy new Year.

Maria

PS- if I have missed anyone, please feel free to fwd the invite.
